Our CPD programme includes:

## **Do I have to attend certain CPD?**

We have designed a programme of CPD opportunities that give coaches the freedom to tailor the type of learning they access to suit their needs and preference. For example, a coach looking to revalidate the FAW Football Leaders Award may choose to access several eLearning Complementary Modules or attend a mix of Coaching Webinars and Coaching Clinics to gain the required CPD credits.

The Certificate and Licenced qualifications (level 2) require coaches to attend the FAW National Grassroots Coaches Conference at least once during the 3-season validity of a qualification. The remaining credits can be gained through our offer CPD offers.

## **When does CPD run?**

This will be dependent on the type/offer of CPD. For example, the eLearning complementary modules are online, OnDemand so can be accessed from anywhere at any time. The Coaching Clinics and National Grassroots Coaches Conference will have set dates/times and locations. The Coaching Webinars will be live on set dates/times; however, these will be recorded for coaches to access OnDemand at a later date.

## **How much does CPD cost?**

This is dependent on the type/offer of CPD you are accessing.

## **How do I book/access CPD?**

To access eLearning Complementary Modules or to book a place on a Coaching Webinar, Coaching Clinic or the National Grassroots Coaches Conference, please log in to Coach Cymru through your FAW courses profile and click the Learning icon.

## **What happens if I do not gain the required credits?**

Your qualification will no longer be valid, it will be inactive.

## **Does that mean I lose the qualification?**

No. Your qualification will remain inactive until you have gained the required credits.

## **Can I still coach with an inactive qualification?**

You may not be able to hold or take up certain coaching positions where a valid coaching qualification is a requirement (e.g., a junior coach as part of FAW Club Accreditation is required to have a minimum of a FAW Football Leaders Award).

## **If my qualification is inactive/no longer valid, how do I revalidate it?**

You need to gain the required CPD credits. You may gain the credits as quickly as you are able, and your qualification will become valid (active) as soon as you gain the credits. Your qualification will then be valid for a period of 3-seasons.

## **What if I only gained some of the CPD credits required?**

The credits will remain for a period of 3-seasons. After this point, the credits will be deleted.

Your qualification will only be revalidated once you have gained the minimum number of credits through our Grassroots CPD programme.

## **How often do I need to revalidate my qualifications?**

Qualifications are valid for a 3-season period. You will need to gain required CPD credits during this period to revalidate your qualification.

## **If I gain more credits than required, will my qualification be expended beyond 3-seasons?**

No. The credits detailed are minimum requirements and we would encourage coaches to regularly access CPD content.

## **Can additional CPD credits be carried over?**

No. Only the credits you gained during the 3-season validity period will be recorded, after this time your qualification will be revalidated, and you will then be required to gain the relevant credits for the new 3-season validity period.

## **Can I apply to access the next level course in the Coaching Pathway if my qualification is in-active (not valid)?**

No. You need to gain the relevant CPD credits within 3-seasons of expiry for your current level of qualification. You may gain the credits as quickly as you are able, and your qualification will become valid as soon as you gain the credits. Once valid, you would then be able to apply to access the next level course.

## **Can I gain revalidation credits by accessing other Football Association, National Governing Body, or Higher/Further Education content?**

No. Only FAW content currently counts towards revalidation credits. This is to ensure content is appropriate and aligns to our Welsh Way syllabus.

## **How will CPD credits be tracked?**

Our FAW Courses website and Coach Cymru platform will track credits gained. After completing or attending CPD, our system will automatically add credits to your FAW courses profile.

## **How do I revalidate my FAW First Aid and/or FAW Safeguarding qualification?**

Qualifications are valid for a 3-season period. There is no current revalidation process in place for these qualifications. After the 3-season period these qualifications will have expired, and you will need to retake the qualification.
