Revalidation of Grassroots Qualifications

How can I revalidate my grassroots coaching qualification?

Our CPD programme includes:

- OnDemand Modules
- Coaching Sessions
- Coach Cymru live (Webinars)
- National Grassroots Coaches Conference

These can be accessed via the relaunched platform at <http://coachcymru.coachesvoice.com>.

Our CPD offers are weighted and there are some revalidation requirements relative to the qualification. Credits can be gained as quickly as a coach chooses; however, we would encourage coaches to access CPD content on a regular basis.

FAQs

Do I have to complete certain CPD content?

We have designed a programme of CPD opportunities that give coaches the freedom to tailor the type of learning they access to suit their needs and preferences. For example, a coach looking to revalidate the FAW Football Leaders Award may choose to access several OnDemand Modules or a mix of Coach Cymru Live Webinars and Coaching Sessions to gain the required CPD credits.

For FAW C Certificate, FAW/UEFA C Licence & FAW GK B Licence qualifications, coaches are required to attend the Online FAW National Grassroots Coaches Conference (x6 Credits) at least once during the 3-season validity of a qualification. The remaining credits can be gained through our any of the other CPD offers.

When is the CPD programme delivered?

This will be dependent on the type/offer of CPD. For example, the OnDemand Modules, Coaching Sessions and National Grassroots Coaches Conference are all available online, so they can be accessed from anywhere at any time. The Coach Cymru Live Webinars will be delivered live on set dates/times; however, these will be recorded for coaches to access OnDemand at a later date.

How do I register/access the CPD content?

To access OnDemand Modules, Coaching Sessions, view the uploaded module of the National Grassroots Coaches Conference or to book a place on a Coach Cymru Live Webinar. Please refer to the FAQ titled “**I Am an FAW Coach how do I access Coach Cymru +?**” for instructions on how to access the platform.

What happens if I do not gain the required credits?

Your qualification will become inactive.

Does that mean I lose the qualification?

No. Your qualification will remain inactive until you have gained the required credits.

Can I still coach with an inactive qualification?

You may not be able to hold or take up certain coaching positions where a valid coaching qualification is a requirement (e.g., a junior coach as part of FAW Club Accreditation is required to have a minimum of an FAW Football Leaders Award).

If my qualification is inactive/no longer valid, how do I revalidate it?

You need to gain the required CPD credits. You may gain the credits as quickly as you are able, and your qualification will become valid (active) as soon as you gain the credits. Your qualification will then be valid for a period of 3 years.

What if I only gained some of the CPD credits required?

The credits will remain for a period of 3-seasons. After this point, the credits will be deleted.

Your qualification will only be revalidated once you have gained the minimum number of credits through our Grassroots CPD programme.

How often do I need to revalidate my qualifications?

Qualifications are valid for a 3-year period. You will need to gain the required CPD credits during the validity period to revalidate your qualification.

FAQs

If I gain more credits than required, will my qualification be extended beyond 3-seasons?

No. The credits detailed are minimum requirements and we would encourage coaches to regularly access CPD content.

Can additional CPD credits be carried over?

No. Only the credits you gained during the 3-year validity period will be recorded, after this time your qualification will be revalidated, and you will then be required to gain the relevant credits for the new 3-season validity period.

Can I apply to access the next level course in the Coaching Pathway if my qualification is inactive (not valid)?

No. You need to gain the relevant CPD credits within 3-seasons of expiry for your current level of qualification. You may gain the credits as quickly as you are able, and your qualification will become valid as soon as you gain the credits. Once valid, you would then be able to apply to access the next-level course.

Can I gain revalidation credits by accessing other Football Association, National Governing Body, or Higher/Further Education content?

No. Only FAW content currently counts towards revalidation credits. This is to ensure content is appropriate and aligns to our Welsh Way syllabus.

How will CPD credits be tracked?

Our FAW Courses website and Coach Cymru platform will track credits gained. After completing or attending CPD, our system will automatically add credits to your FAW courses profile.

instructions.
